

REMARKS

The Applicant has reviewed the Examiner's Office Action and acknowledges the indication that claims 6-7 and 10-19 contain allowable subject matter. Based on this indication, the Applicant has rewritten claims 6, 7 and 10 in independent form. The Applicant notes that claim 14, which the Examiner indicated as being allowable was already in independent form. Consequently, the Applicant believes that 6-7 and 10-19 are in condition for allowance and requests reconsideration of the Examiner's objection.

To move this case more quickly to allowance, the Applicant has canceled the remaining claims without prejudice or disclaimer. The Applicant believes that there are no further issues and respectfully requests a Notice of Allowance. If, however, there are additional issues, the Applicant would appreciate a telephone call to the undersigned attorney.

Since no additional independent claims have been added and the overall number of claims has been reduced, no additional fees are believed due at this time. Nonetheless, in the event that a fee required for the filing of this document is missing or insufficient, the undersigned attorney hereby authorizes the Commissioner to charge payment of any fees associated with this communication or to credit any overpayment to Deposit Account No. 18-0987.

Respectfully submitted,
